Dear Parent(s)/Carer(s),

International Week: 3rd June – 7th June 2024

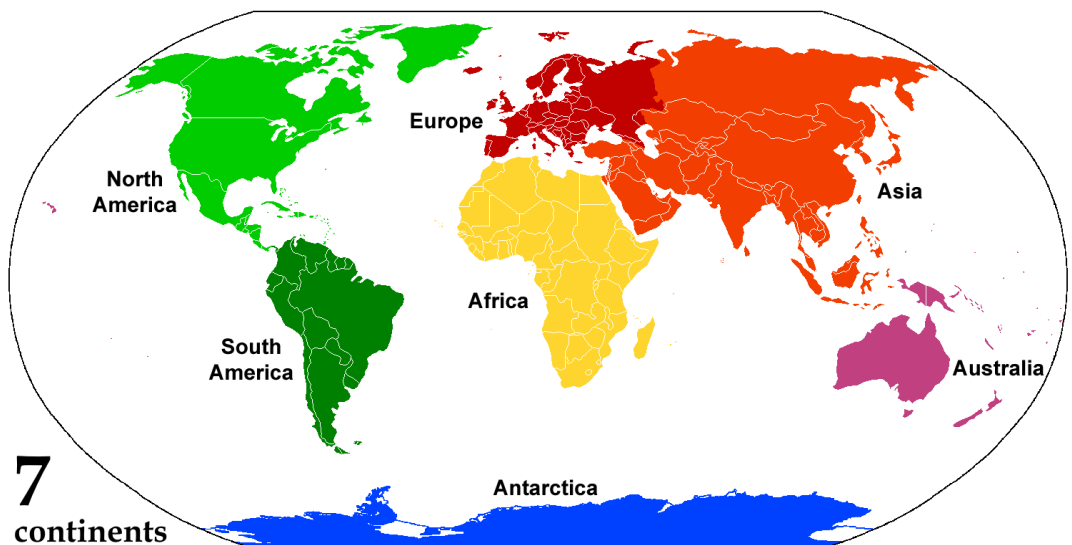

This year we will be celebrating **different continents** as part of our International Week, each year group will be learning about a different continent. During the week the children will taste various food from across the world, experience music and songs from their chosen continent and as always will enjoy learning about the art, geography and culture of many different countries within their chosen continent.

On **Friday 7th June** our international week will sadly come to an end and we would like to celebrate by wearing different colours to represent the different continents. On this **non-uniform day**, we would like all children (and staff) to come to school in appropriate coloured clothing if possible. Please see the table on the back of this letter for your child's chosen continent and colour.

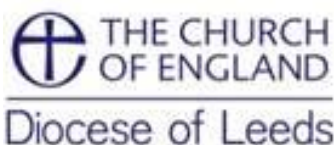

To help contribute towards all the fantastic activities we will be taking part in throughout the week may I respectfully ask for a voluntary contribution of 50p per child.

Yours thankfully,

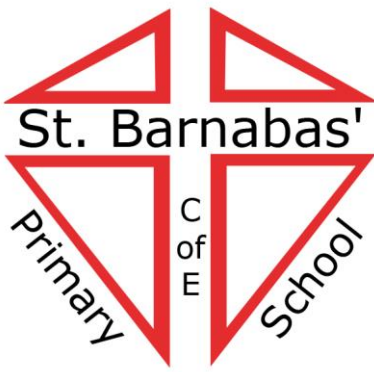

Miss Marshall
