

## ENGLISH

We will be reading 'What the ladybird heard' to help us explore rhyme. We will also be looking at 'The very greedy bee', 'Commotion in the Ocean' and writing our own stories in preparation for year one.

## MATHS

We are learning how to double and halve quantities. The children will look at simple division by grouping and sharing objects. We will also be looking at odds and evens.

## KNOWLEDGE AND UNDERSTANDING

Medicines and keeping healthy and oral hygiene.

Classifying animals

# All Creatures Great and Small (Part 2)

## RE

The story of Creation  
God as a VIP
