

ENGLISH

We begin this half term looking at the Tale of Peter Rabbit in order to recap our learning from Year 1.

We will then move on to inventing and writing our own stories in the style of Beatrix Potter.

PE

Children will be developing their skills in athletics.

PSHE

We will be talking about what makes a family.

MATHS

Children will recognise and write numbers to 100 and beyond. They will also learn the place and value of these numbers and begin to sort them into odd and even. We will revise 10 more and 10 less than a number up to 100.

The World of Beatrix Potter

SCIENCE

In Science we will be looking at Habitats and the basic needs of plants and animals. This will give us a chance to explore the school gardens and grow our own plants and vegetables. just like Mr McGregor!

RE

In RE we are learning about the Christian story of Creation and responding in different ways, thinking about how God would like us to look after the world.

GEOGRAPHY / HISTORY

This half term we will looking at events in the life of Beatrix Potter and placing them on a timeline. We will also be describing human and physical features of the Lake District.

ART / DESIGN / MUSIC

We will be focusing on drawing lines with skill, awareness and control and experimenting with the visual elements: line, shape, pattern and colour.
We will be learning to perform Harvest songs.

COMPUTING

We will be learning about what a computer is and the different components and how to be safe online and what sources to trust.
