

**SCHOOL  
DEVELOPMENT  
PLAN –  
2024/25**

Ensuring that all teachers make accurate and productive use of assessment and capitalise on feedback and marking to narrow gaps in learning.

Ensure all groups, reach the highest possible standards particularly in reading through Timely interventions

Ensure the teaching of phonics ensures that all pupils have secured all Set 1 sounds and begin early reading

To Improve Reading progress across KS2 to ensure good progress is made by all learners and Outcomes at the end of year 6 are in line with or above Nationals

To ensure the Senior Leadership Team drive the pursuit of excellence in all areas of school particularly ensuring gaps in learning are tackled

To ensure Governors are highly ambitious in their vision for the school ensuring school effectiveness and improvement in standards.

The curriculum continues to promote and sustain a thirst for knowledge and a love of learning to prepare children for their lives in modern Britain.

Ensure all health and safety requirements meet high standards and pupils know how stay safe including online

Continue to develop Improvements in handwriting and spelling across KS1 & KS2

Promote equality and diversity narrowing gaps in achievements for all pupils

To continue build upon opportunities for parental involvement to improve Attendance and pupil progress.

Maintaining positive behaviour, and Well being for all pupils

Maintain/improve end of year group results to ensure good progress across school.
