

TIMES TABLES ROCK STARS

On Friday the 22nd November we are delighted to bring back our annual times tables battle of the band's competition in school. We ask the children to come dressed up as a rock star to be ready for their battle!! It is a great day for the children to get into the maths arena and showcase their talent!! We all look forward to seeing their rock star characters battle it out for 1st prize!!

This week we have been thinking about 'Respect' for Anti-Bullying week and started off the week with an assembly to share what it means to feel respected and the impact on our well being when others are not kind or single individuals out to make them feel isolated and unhappy. We have asked children to wear odd socks this week as a reminder. The powerpoint from this week's assembly has been added to the schools website for you to share with your child if you would like.

We are delighted to have been selected to take part in the Song for the Future project to record with 2 American artists in school next week 27th November to be displayed in Salts Mill. We will keep you updated on the progress.....
