15 November 2024

Dear Staff and young people.

I wanted to take the time to thank you for your generous donation of 1500, **Tins of food**. These will go to supporting the families in the local community this winter.

Staff from the Family Hub will also continue to ensure families are kept warm throughout the coming winter months with food and clothes.

Winter can be a really difficult time for some families and as the cost of living rises more families are coming through the family hub in need of support.

A big thank you from everyone at the West Family Hub for your help!

Kind Regards

Joanne Belgrave

Early Help Coordinator
