

Y6 SATS 11th to 14th May

Next week Monday the 11th to Thursday 14th May Year 6 will be sitting their KS2 SATS tests.

It is crucial that the pupils are in school on time to ensure they do not miss anything. To help with this we will be providing Breakfast for all the children from 8.20am – 8.45am every day to ensure they get time to relax and chat with their friends and staff before going into the tests. The breakfast consists of cereals, toast and fruit. We look forward to seeing the children come in and join us. Thank you

YEAR 5 BUCKDEN HOUSE PARENTS MEETING

On Thursday the 14th May at 3.30pm we will be holding a final information meeting for the parents of children going on the residential visit to Buckden House. Mr Collins will share important information about the activities and events as well as go through the kit list and general routines during their stay. We look forward to seeing you then!

This week the travelling **Panetarium** will be in school for Year 5 pupils. It is an amazing opportunity to be taken into space virtually and take part in an expert led experience to bring space and the planets to life. We really appreciate payments towards the cost of the experience on ParentPay of £6. Please support the school to help towards funding this amazing event. Thank you
