

Headteacher's Message

WELCOME BACK. It has been wonderful to see the school community coming together following the summer holidays. The children have settled in well and are getting used to being back into school routines again. I have also settled in well as Interim Headteacher. A big thankyou to the whole school community for the warm welcome!

It has also been lovely to meet our new reception pupils, who have begun to come to school for full days this week. They have settled in well, making friends and engaging with their learning!

Year Six Secondary School Applications

On Thursday 10th September, we held a meeting for parents of children in year 6 to offer guidance with making their applications for secondary school. Information shared at this meeting is available from the school office and if you need any further advice please do not hesitate to contact us.

Please remember to make sure you check the high school websites, and paperwork received, for the dates of the open evenings. Taking the opportunity to visit the schools to look around and ask questions will help you to make your selection.

NUT FREE SCHOOL REMINDER

A reminder to all families that we are a **nut-free school**. To help keep all children safe, please do not send any food containing nuts, including peanut butter, chocolate spreads containing nuts, nut bars, or products with nuts listed in the ingredients. Thank you for your support in protecting pupils with severe allergies.

UNIFORM

Thankyou to all our parents who have ensured that the children have returned back to school with the correct uniform. We appreciate how costly it can be and urge you all to ensure that **all items are clearly labelled with your child's name and class** so that in the event it goes missing we are able to find it and return it.

Attendance

A big thankyou to all our families for ensuring a successful return to school for our pupils. As you are all aware, the guidance from the government and local authority towards attendance is clear that all absences will be followed up and action taken for those pupils who are failing to attend school. Please ensure pupils are in school no later than 8.45am to ensure they receive their mark for the day.

Please contact the school office if your child has a medical appointment or is ill. Appointment letters will need to be shared to enable school staff to record the absence correctly. Many thanks for your continued co-operation and support.
