

**History/Geography** We are taking on the role of History Detectives and will be finding out about the life of Howard Carter and the amazing discoveries he made. We will find out about the people, places and treasures linked with the Tomb of Tutankhamun.

**Young Leaders Award:**

This term we will be commencing Young Leaders Award. We will be doing lots of activities and develop new skills.

**MFL:** This term we will moving on to our new unit 'Mi Familia' (My family). We will also continue to consolidate and recap upon prior learning.

**Science** Our topic is 'Animals including Humans' - we will be closely studying the human life cycle.

**PHSE** Year 5 will be looking at online safety and how we share our personal information. Also, we will be looking at the causes of asthma and how we can support ourselves and others in difficult situations.

**English:** This half term we will be learning how to write a news report about our trip to Cliffe Castle. We will be learning new skills but also continue to work on Year 5 grammar and punctuation to consolidate our skills.

**RE** This half term our big question is 'What did Jesus do to save human beings?' We will be thinking about how Jesus' death was a sacrifice and how this influences the way Christians live their lives.

**Maths** This half term we will be learning about calculating and comparing fractions, percentages and decimals. Then we will be moving on to calculating perimeter and area of shapes, including polygons, rectilinear shapes and compound

**PE** Both classes will be learning how to play dodge ball and will be working on their team building skills. 5G will continue swimming on a Monday.

**Music** This half term both classes will be continuing to learn the ukulele and start to develop their use of chords. They will read and follow music, embed their knowledge of musical vocabulary and play with

## *Ancient Civilisations:*

### *What does the legacy of Howard Carter tell us about Ancient Egypt?*
